## DATE LINE HISTORY OF MOUNT ROYAL COLLEGE

- 1910—Mount Royal College was formed under sponsorship of the Board of Colleges of the Methodist Church and through the efforts of a group of Calgarians and Rev. Dr. George W. Kerby, minister of Central United Church.
- In the same year a charter was granted the college to instruct students in elementary and secondary education including courses in music, art, speech, drama, journalism, commercial and business courses, technical and domestic arts.
- 1911—Mount Royal opened under the principalship of Dr. Kerby and with a registration of 154.
- 1925—The college came under supervision of the Board of Colleges and Secondary Schools of the United Church of Canada.
- 1931—A University Department was established in the Junior College Division. The elementary school was discontinued.
- 1942—Dr. John H. Garden succeeded Dr. Kerby as principal upon his retirement.
- 1944—Amendments to the Junior College Charter provided Engineering courses in the University Department.
- 1948—Rev. W. J. Collett was appointed Dean of Mount Royal Junior College.
- 1949—The Kirby Memorial Building and G.D. Stanley Gymnasium were completed.
- 1956—The Business Administration Department of Mount Royal Junior College was established.

# 1965

- 1957 – Kirby Memorial Building wing was completed.
- 1959 – Rev. W. Collett was appointed principal upon Dr. Garden's retirement.
- 1961 – Kirby Memorial Building was remodelled and a new wing was added. Included were a snack bar, canteen, library, classrooms, science rooms, and a students' lounge.
- 1964 – Enrollment rocketed to 4,300 students in all day and evening divisions. Peak student capacity is reached.
- 1965 – Campaign for Lincoln Park as a future Campus home for the college is started.

## Mount Royal as a Junior College

Overcrowded universities and vocational schools have for years been attempting to meet the demand of education. They have now been joined by the comparatively new phenomenon, the Junior College.

Mount Royal's ciricula includes university courses designed to equip students for careers in Commerce, Law, Medicine, Dentistry, Pharmacy, Teaching, Radio, Television, Community Service, Library Clerical, Journalism, Interior Design, and Recreation.

Mount Royal provides high school graduates with the first two years of university training in a smaller, more personalized atmosphere. It also provides training in additional careers not available at larger universities.

Mount Royal also provides a large, fully accredited High School with a registration of more than 700 students in 1965.

# PRESIDENT'S MESSAGE

The "Wearing of the Green" is an ancient Irish custom which displaced Irish patriots observe on March 17 of each year in celebration of St. Patrick's Day. Ostensibly the green is worn to remind the Irish immigrant of Ireland with its lush green meadows and verdant foliage.

Actually the tradition goes back to the time when the Irish people believed the gods had to be kept happy if the crops were to grow. So early in the spring they gathered green leaves and green boughs, burned them in a religious ceremony and scattered the ashes over the land. They believed the spirit of vegetation lived in the ashes and the spirit pleased the gods. Actually the ashes fertilized the ground and gave to the earth food for the crops.

While the Emerald edition of the Varshicom has nothing to do with the Irish custom, but rather marks the 55th Anniversary of this publication, it is good to think of the implications of the "wearing of the green". The message actually is that we really accomplish only that for which we are willing to work. As long as the Irish people worked hard to gather their green fuel and worked to spread the ashes on the land they were assured of fertile soil and good crops. When they ceased this labour the soil was impoverished and the crops failed.

Nothing in this world that is worthwhile is accomplished without concentrated and devoted labour. Success in college is not automatic and satisfaction in life comes only with a challenging and worthwhile vocation.

I hope the time you have spent at Mount Royal College has taught you to set ambitious goals for yourself and to work sincerely towards the accomplishment of those goals. If we have succeeded in so teaching you, we have really given you a good education.

# MRC CAMPAIGNS FOR A NEW CAMPUS

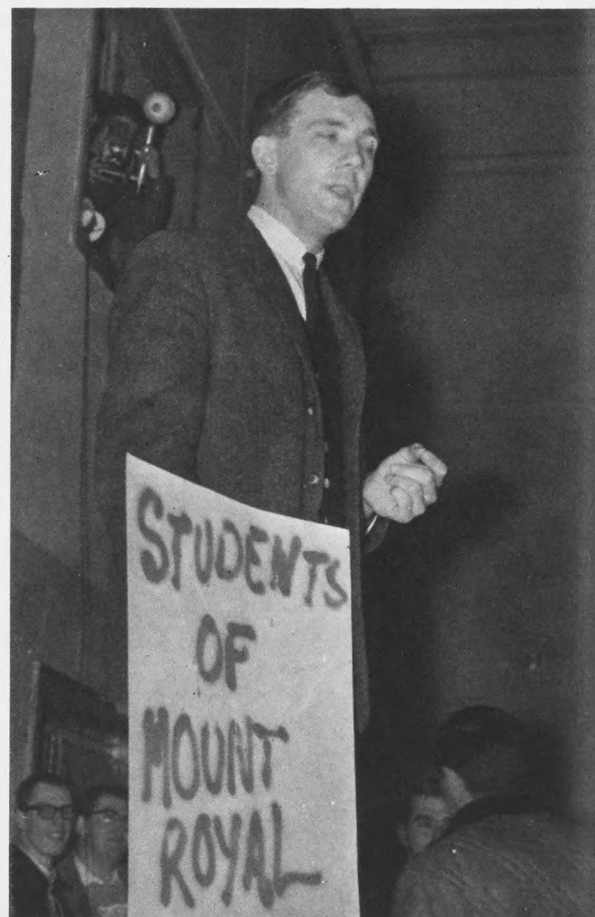

With registration at peak capacity during the 1964-65 term Mount Royal began to look for a way to expand. Due to the high cost of down town development, a suburban site would have been more suitable and when Lincoln Park was purchased by the city from the Federal government the college began to think of the possibility of establishing itself there.

However, there were other contenders for the property. The Calgary Exhibition and Stampede Board also wants the site and began an expensive publicity campaign for the property.

The students of MRC, feeling the cramped campus growing more crowded each month decided on a course of action that took them to city hall with pickets declaring their case.

As of April 15, our final copy deadline, no decision on Lincoln Park has come.

## THIS WAS THE EMERALD YEAR

Fifty-five years ago this year Mount Royal College was founded. This was the emerald anniversary, hence the cover of this book is emerald green.

The year will be remembered in many ways. It started out with a bang in September as the Cougar Football team fought for a berth in the Alberta finals. They were unsuccessful, but another year lies ahead.

It was a year of change too. Rumors have been circulating that this is definitely the last year for Mount Royal on this location. We are just too large to exist here any longer. So, a new year and a new campus seems to be in the immediate future.

Miss Terry Bolton, moments before the announcement that she had won the 1965 Miss Mount Royal College Sweetheart Contest.

Frosh week activities included a snake dance back to the college from Prince's Island but a few couldn't quite take the long walk.

The Cougars played their way to win after win during the 1964-65 season.

Means: course of action through which a thing is done. We all have our goals in life and at Mount Royal we have stepped a little closer to those goals through the means of education. There are others, but this one is common to us all.

Carroyl Taylor, Miss Stampeder, has been a student at MRC this year. Carroyl rode in Calgary's float in the Pasadena Parade of Roses in January.

Look at the means which a man employs. Beauty, knowledge, talent, personality and poise are all means through which our goals can be attained.

## LOOK AT THE MEANS WHICH A MAN EMPLOYS

A folk singer performs in a local coffee house.

Calgary Stampeders Quarterback Eagle Day gains yardage at McMahon Stadium.

Mrs. Beverley Groberman models at the first annual Thalian Fashion Show. Mrs. Groberman is head of the College's Interior Design Department.

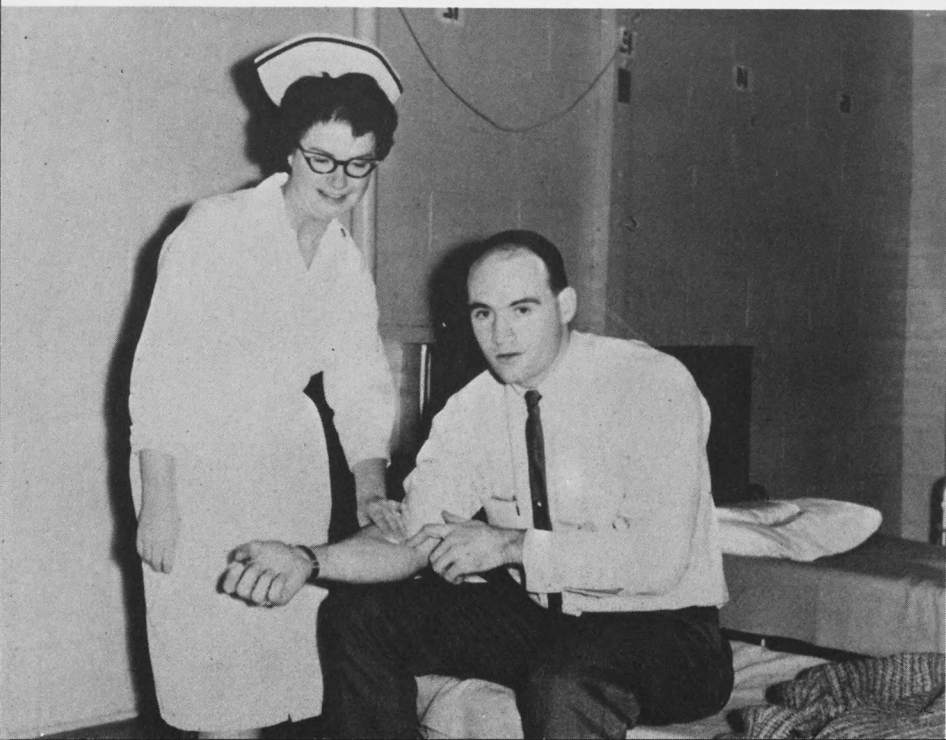

CONSIDER HIS MOTIVES

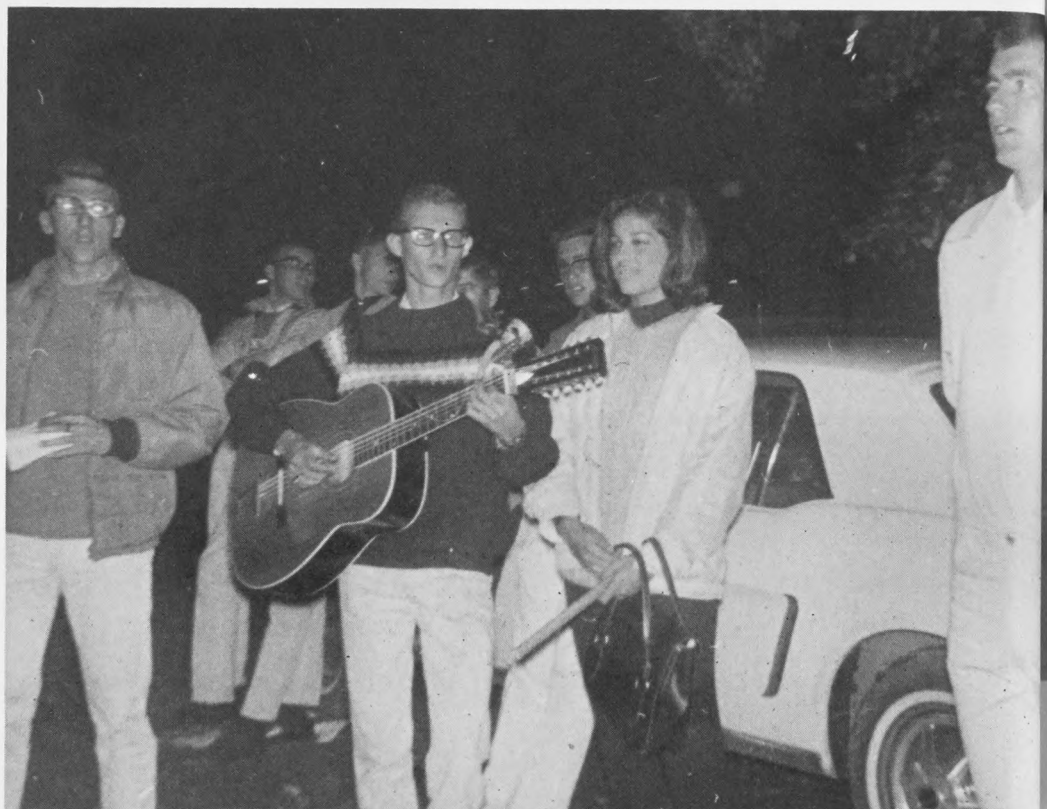

The Career Society started the year with a memorable weiner roast on Spring's ranch west of Calgary.

## OBSERVE HIS PLEASURES

Garry Kohn strums up a storm during Frosh week festivities as Sharon Stein and Mustard look on.

Hidelhaus atmosphere proved too much for the Reflector Editor, who stayed completely "in character".

The Sweetheart Campaign was just too much for Careers campaign manager, Les Brost.

Behind this picture there lies a tale. This was taken during the Sweetheart campaign as the Hula Dancer brought in by the Arts and Science Society was performing. Reaction ranges from indifference (far back) to shocked disbelief (second row) to apprehension (second row, far right) to sheer enjoyment (front row).

"Have a lick!"

"Now, don't you dare bite!!!"

A MAN SIMPLY CANNOT CONCEAL HIMSELF

This partial portrait of the Varshicom Staff shows, *from the left*: Editor, Graham Trentham; Features Editor, Lyla Eyben; and Sports' Editor, Grant Harrington.

It is interesting to go back over the years portrayed in the old Varshicoms that have been bound and kept in the library. The first yearbook came out in 1911 and was named "Chinook". Those years saw the development of MRC as a high school. Then, as progress became more marked and post high school courses became offered, the name was changed. The new one was "Varshicom", meaning Varsity and Commerce.

The first yearbooks were smaller than our present Junior College Calendar. Today, you see another evolution of the Varshicom. 1964 marked the last small-sized yearbook. 1965 ushers in the new, university sized book, one that this staff is very proud of.

The people mentioned here are resourceful, ambitious and determined and to them I offer my sincere thanks for all the time and effort that has gone into this edition.

## STUDENT PUBLICATION OF MRJC

J. Dianne Bradshaw, Assistant Editor, boards flight 800 for the trip to Hamilton and the Canadian University Press Conference, December 1964.

The Reflector has come a long way since its creation five years ago by a group of creative writing students at Mount Royal College. It began as mimeographed sheets stapled together and it has developed into the tabloid size publication it is today.

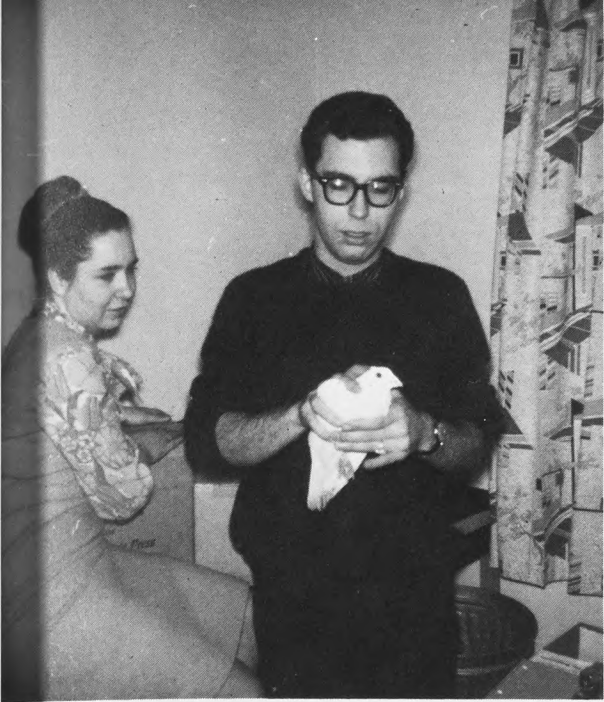

The school paper is one of the most important functions in student activities. Its purpose is to inform, entertain, and comment. It is the students voice and is financed by the students.

Mount Royal College is growing rapidly and the Reflector grows with it. The aim of the Reflector is to inform students of events around the college in an accurate and intelligent manner.

The Reflector became a member of Canadian University Press this year and is recognized by universities across Canada. The Reflector has set out to achieve a quality desired by students in the university age bracket and CUP has helped the paper toward these ends.

The Reflector will always strive for improvement. In the past it has made its share of mistakes, and at times has been under heavy criticism. The future will undoubtedly hold more of this, but the Reflector will continue to strive to give students the best possible coverage of events and be a paper the students can be proud of.

"Besides, every college needs pigeons."

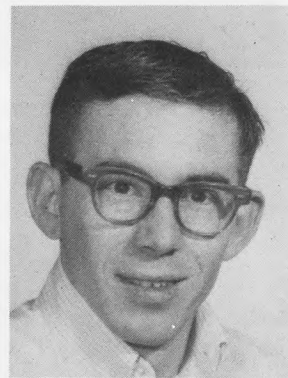

The Assistant Editor gets behind the news.

Special mention is due the Editors of the Reflector, who in 1964-65, have turned out a remarkably improved paper.

Mr. Tom Serediuk organized the first issues of the Reflector and Leo B. Quigley continued the quality of the paper when he became Editor in December.

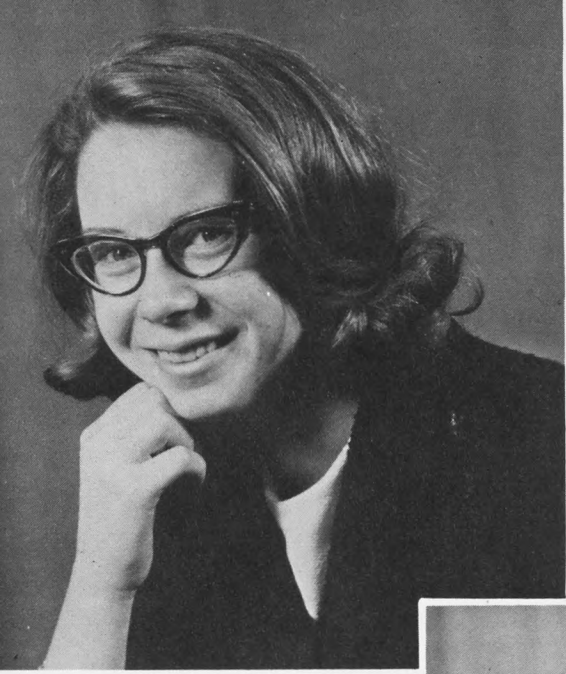

Miss Dianne Bradshaw was instrumental in the Reflector's acceptance by Canadian University Press in Hamilton, December 1964.

# THALIAN SOCIETY

This was the first year for the Thalian Society at MRC. The Society is named after the Greek Goddess of Charm. Its symbol is the red rose, a symbol of perfection, ideal in femininity.

The societies four point system includes social, educational, athlectic and cultural activities.

During the year the society sponsored speakers, a tea, a fashion show, cheer rallies and a sex education seminar.

*Journalism: 2nd Year*

Address presented at the Spring Ball, April 3, 1965.

Tonight is a very special one to all of us and it would be very hard for me to summarize the thoughts of each one of us.

Instead, I would like to reminisce with you over the events of the years we have spent at MRC, those years that have marked the beginning or the completion of our secondary education.

Each year I have come to know Mount Royal better and to feel this was home to me. When this happens you let yourself go and become a part of the college. When you do this you open new doors that lead to treasureable memories.

As the years go by we will remember these happy events. The serious times will be smoothed out and softened, but whenever we gather to talk of these college years these are the things we will all remember.

Now, if you will allow me, I'm going to poke fun at the institution that is honoring us tonight.

In many ways MRC is unique. Where else does it take 30 days to register? We don't have entrance exams. We have registration. If all your instructors have course cards for you in the first month after registration then you're all right. You can stay.

I'll wager we have the only canteen where you can buy a cup of coffee, sit down, and spill it all over everything because you misjudged the tilt of that particular table.

There was one level table in the place until last fall and then John Carstairs stood on it to put up the Secretarial Sweetheart Display.

A special feature of CMRC this year was subdued music in the library. They managed it by turning the speakers in the canteen up full volume and straining the music through the smoke in the canteen.

I'm pretty sure we are the only college anywhere where you can become a traffic fatality while changing classes.

Speaking of classes, have any of you had classes lately in the old building, under the residences? This is a never to be forgotten experience. There is usually somebody upstairs doing calisthenics. When you exercise in that place every board in the building exercises right along with you. If you do happen to get a quiet period the water pipes in the ceiling start to leak from the tension.

You know, there are two large bodies of water in Calgary. One is Glenmore Reservoir. The other, as yet unnamed is located in the parking lot behind Wyckham House. John Carstairs tells me there is a plan a foot to rent canoes to the staff so they can get to shore after parking their cars.

However, there is a brighter side. Mr. Brooks has hopes for a wet summer. If it is he'll have a crack swim team by freeze-up and then has a speed skating program planned for the winter.

All kidding aside, I think we have been fortunate to have been students here during the real coming of age of Mount Royal College.

This year we have seen a sense of pride develop that was never present in this way before. We have seen accomplishments in student government, activities, newspaper and yearbook of which we can be proud.

Our athletes and students have carried our name successfully across Canada and into the United States and I hope you will all continue to do so in the fields you are about to enter.

And so, the years have slipped away and we stand on the side of another door. The other side is dark and challenging.

To all of you I wish success of the highest order and to the staff and administration I wish good luck in your future location, whether it be here or on a new campus.

On behalf of the graduating class I thank you for allowing me to speak for all of us tonight.

*G. Graham Trentham*

## HONORARIES

"E" Awards are presented yearly to those students who have exhibited Effort, Efficiency and Executive at Mount Royal College.

This year "E" awards were presented to:

Graham Trentham  
Leo Quigley  
Garry Kohn  
Terry Volb  
John Carstairs

To make the "E" Award a special one only five are presented each year. Needless to say many more students compete for the awards.

The following people will receive "Honorable Mention Scrolls" for their achievements at MRC this year.

Rod Mores  
Gordon Mills  
Norm McDonald  
Bob Bogle  
Marilyn Duguid

## FROSH WEEK

You have heard of this thing called college madness; now you have experienced it. Frosh week 1964 was a colossal success.

The huge bonfire that lit Prince's Island sparked the beginning of a wild and woolly welcome for old and new students alike, back to MRC.

The cheerleaders passed foot long sticks of wood around to each person. ("happy sticks") The idea was for everyone to get names of 25 new students or 12 football players, but most disregarded the limit and went all out to get as many as possible.

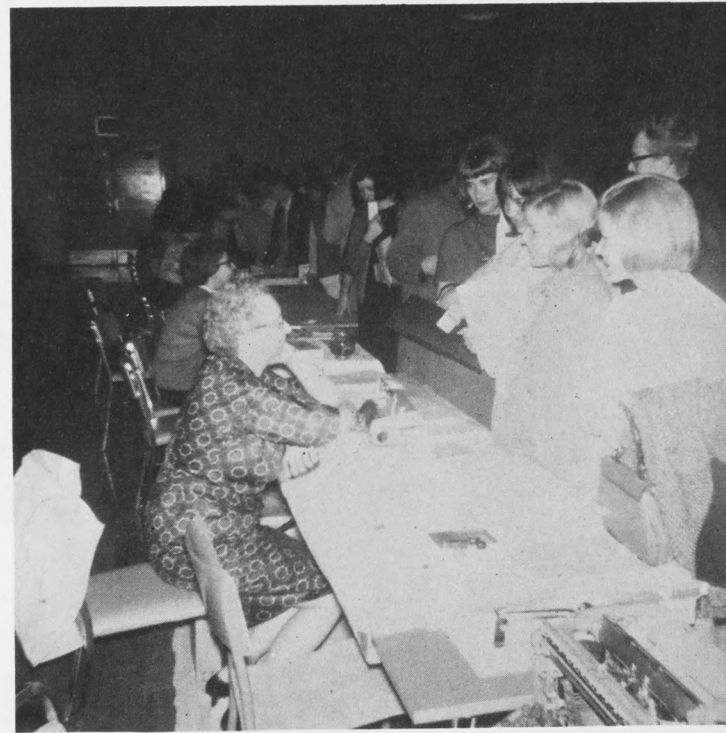

That night the "happy sticks" were fed into the huge blaze, symbolizing the unity of the college behind their Cougar football team. The result was a 38-1 victory for the Cougars over the Edmonton Wildcats.

A snake dance back to the college via downtown Calgary followed, with all the pomp of a police motorcycle escort.

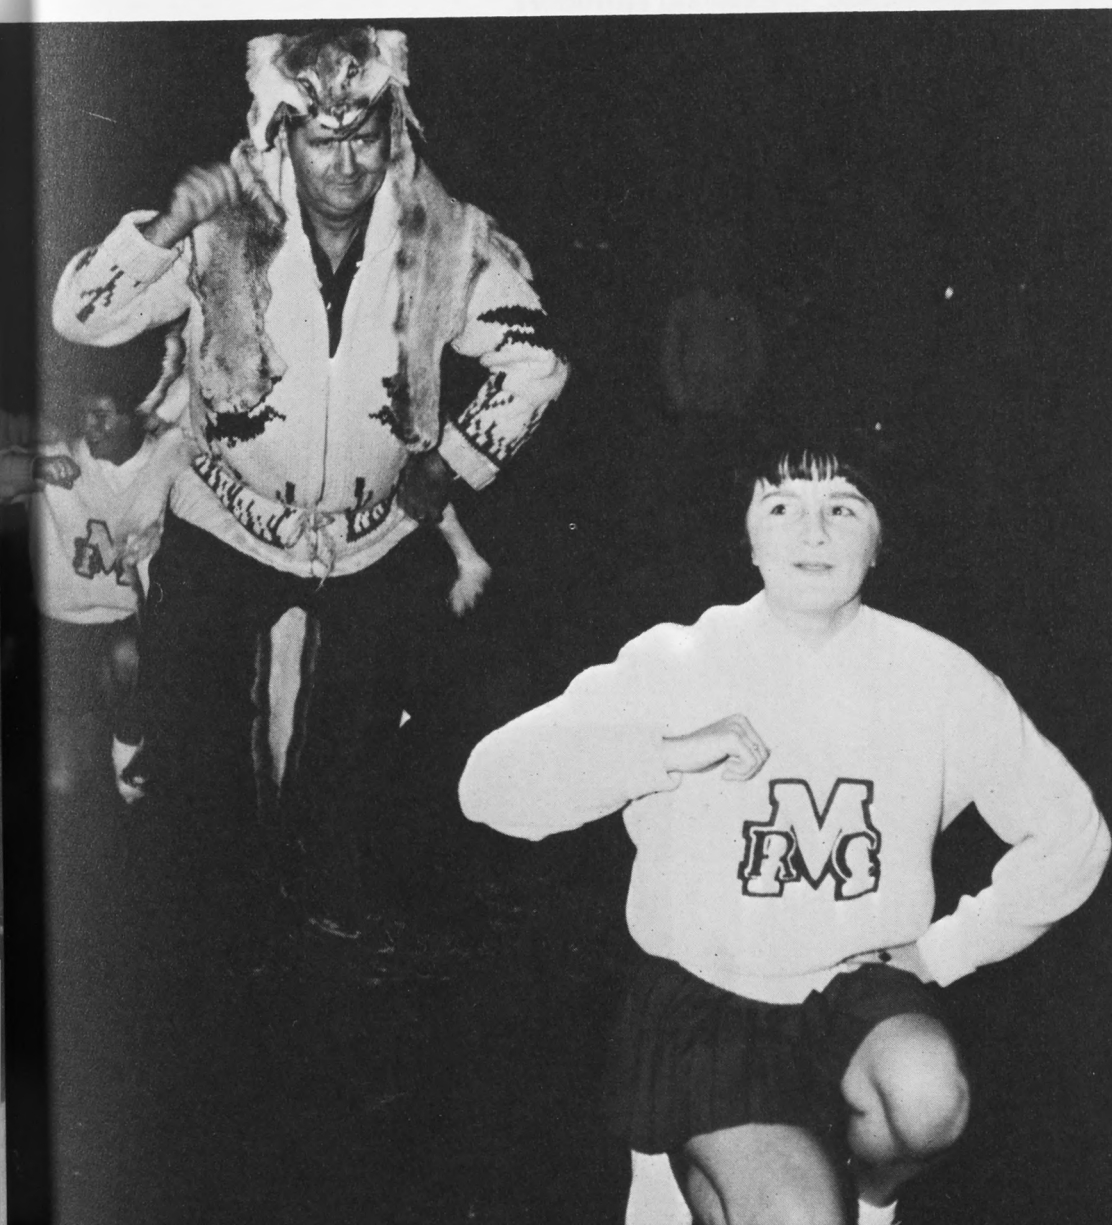

## SPRING REGISTRATION

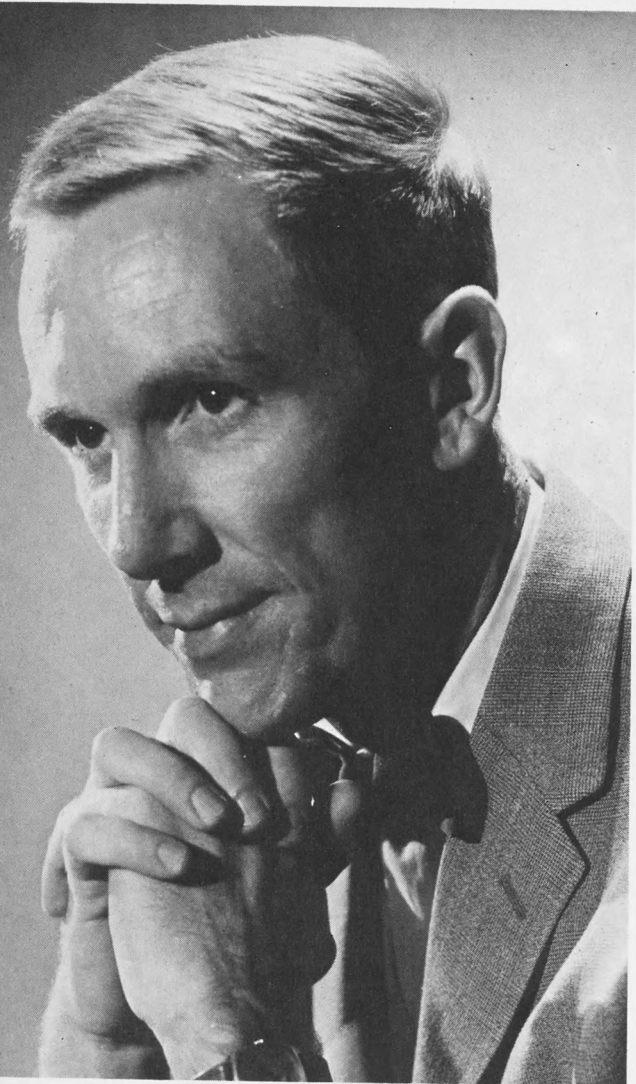

## CHEERLEADERS

Friday afternoon it rained but not enough to dampen student enthusiasm.

The Cheerleaders went all out in their support of the Cougars. That night they had an additional member, slightly larger than the girls, but lacking none of their vigor. In fact, he showed them how to kick higher, how to jump farther, how to shout louder and even improvise on a few cheers.

The newest of MRC's cheerleaders was disguised in a cougar skin and was none other than our own Rev. Paterson.

# CONSERVATORY OF MUSIC

The Conservatory of Music was established in 1911 as an integral department of Mount Royal College. The Conservatory seeks to provide a complete musical education and offers to the student opportunities conducive to a well-rounded musical experience.

It engages the services of more than fifty professional musicians.

Elementary, intermediate and advanced courses are available in piano-forte, organ, all the string, brass, woodwind and percussion instruments, classical guitar, singing, theory, harmony, counter-point history, orchestration, and elements of composition.

Students are prepared for the Royal Conservatory of Music, Toronto, and for the Western Board of Music.

The Conservatory has three student orchestras, a concert and stage band, and various string and wind ensembles, all under the guidance of experienced, professional instructors.

Frequent student recitals and public concerts are presented in the College Auditorium. They involve all students and provide an invaluable means of gaining experience in public performance.

# CONSERVATORY OF SPEECH ARTS

The Conservatory of Speech Arts was founded in 1911 as a department of Mount Royal College.

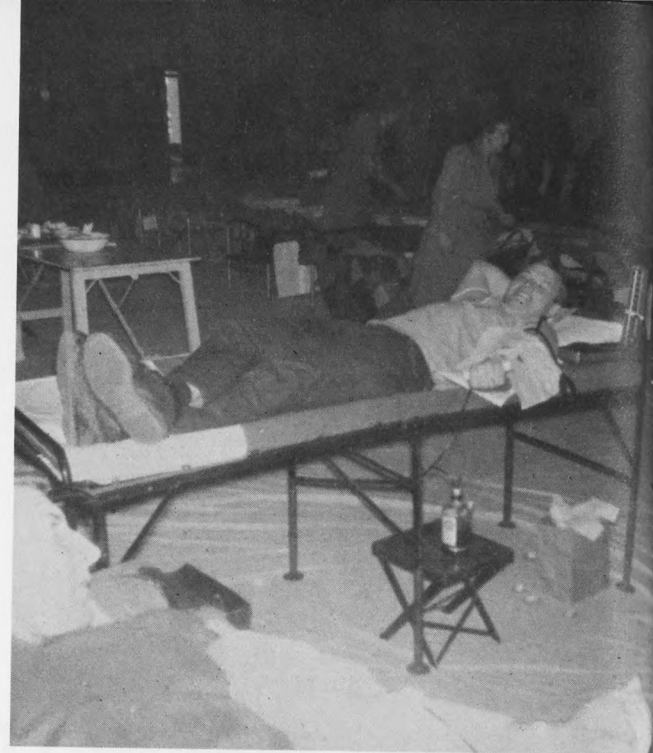

The Speech Arts Department offers private and class instruction in speech training, providing a scientific and common sense approach to developing speech as an effective means of social communication. The Department strives to provide speech training as a specialized use in public speaking situations, and as an aesthetic skill to be used in the art of interpretive reading. Training aims also at use in dramatic presentations on stage and in radio or television.

These educational advantages of good speech training are further enhanced by an associated study of the History of the Theatre and an appreciation of the dramatic literature of all ages from the Greek to the present day.

About to bleed for a worthy cause.

## BLOOD DRIVE

The 1964-65 Blood Drive was held Nov. 25 and 26, when 488 pints of blood were donated. The Secretarial School won the Bloody Cup with a 78% donation. Mr. Doug Rhodes of the Engineering Society was Chairman of the Blood Drive Committee.

After the ordeal: refreshments!

Don't look now, but she's gonna stick you.

Miss Judy Morrison, 1965 Cougar Queen

At the moment of announcement: ecstasy.

The Queen with her ladies-in-waiting: FROM THE LEFT: Miss Jean Frasch, Miss Gretchen Bell, Miss Judy Morrison and Miss Dianne Bradshaw.

Miss Judy Morrison, a first year student in Social Welfare, is Miss Cougar Queen for 1965. Judy was sponsored by the Business Administration Society. Four girls, sponsored by the Career Society, Commercial Society, Business Society, and the High School contested the title.

## CULTURE '65

The Arts and Science Culture Week successfully proved that Albertans do take a definite interest and role in Canada's culture.

Through the help of the Glenbow Foundation, Evelyn De Mille Book store and the Career Society, paintings, books, and Indian crafts were on display for the week.

Culture Week started Monday, February 22 with a "Pot Luck Hoot" during the lunch break.

The movie "To Kill a Mockingbird" was shown in the small auditorium Monday evening.

A debate between UAC and MRC on the laws governing birth control in Canada was held Tuesday. UAC debated in favor of existing laws and won the debate with 30 points over MRC who took the side that existing laws should be changed. Jim Green and Bob Turner represented MRC, and scored 27 points.

The Career Society sponsored a Human Relations Forum Tuesday evening with many students from city schools in attendance.

Pianist Larry Enns entertained in the lounge on Wednesday. Mr. Enns is an instructor in the Conservatory of Music. Bill Blankenship of Washington, performed on the classical guitar.

The play "No Exit" by Jean-Paul Sartre was presented Wednesday evening by the UAC Drama Club.

A Jazz Trio made up of Bill Bridges on guitar, Barry McKinnon on drums and Bob Larret on base played Thursday at noon.

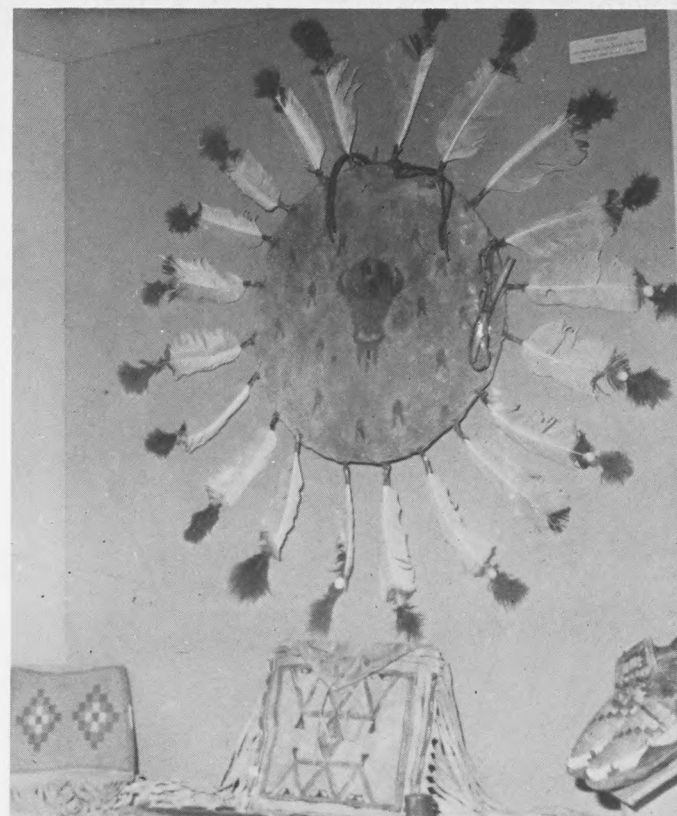

The Sid Marty Trio entertained on Friday. The Trio is made up of Sid Marty, Pete Mathieson and Allan Stein.

On Friday evening of Culture Week Miss S. Jameson of the Glenbow Foundation presented a lecture.

Saturday was museum day at MRC. Tours left the Kirby Memorial Building between 11:00 and 1:00 o'clock.

Culture Week was finalized by "La Balle Masque" held in the Jubilee Auditorium, a beautiful climax for Culture Week, the first ever held at Mount Royal College.

## SADIE HAWKINS

Sadie Hawkins Day has become an institution at MRC since its inception by the girls in the Commercial Society many years ago.

For one zany day the college goes to classes "Dog Patch style", much to the amusement of all concerned.

The high light of the day is the Sadie Hawkins Dance in the evening at which girls can "marry" the date they have "dragged" to the event.

President John Carstairs turned out for the evening as Marryin' Sam (above) and conducted several "special \$4 weddings".

# FLASH BACK

The Varshicom's picture files contain many gems left over from years gone by. They were never used and it seemed unfortunate we could not share them with you, so we composed this flashback page.

Some of you may read this and see yourselves here if you are alumni. Others may see old friends and maybe if you look hard enough you can find a teacher or a librarian or two.

## AWARDS ASSEMBLY FLAG DEDICATION

The new Canadian flag was flown for the first time on Thursday, February 25, 1965. The flag was presented to Vice-President R.W. McCready by Brian McCord, President of the Business Society on behalf of the Business Society.

The flag presentation was the first part of a special Awards Assembly held to honor winners of scholarships, awards and bursaries. A complete record of the awards presented appears on pages 42 - 43 and 98 of this book.

Students achieving the Dean's Honor Roll were also honored.

Those present in the platform party, top left, were from left to right, Mrs. P. Clark, Dean's Secretary; Rich Kulbaba, Business Manager; Mr. Ben Brooks, Athletic Director; Mrs. W.J. Collett, Mrs. F. Fish, Mount Royal W.A.; John Carstairs, Junior College President; Brian McCord, Business Society President; Mayor Grant McEwan of Calgary, Dr. Howard P. Wright, Chairman of the Board of Governors; Carl O. Nickle, Chairman, Nickle Foundation; Neil Germaine, Optimist Club of Calgary and Lt. Col. H. Wagg, Calgary Highlanders Canadian Army.

# CAREER ACTIVITIES

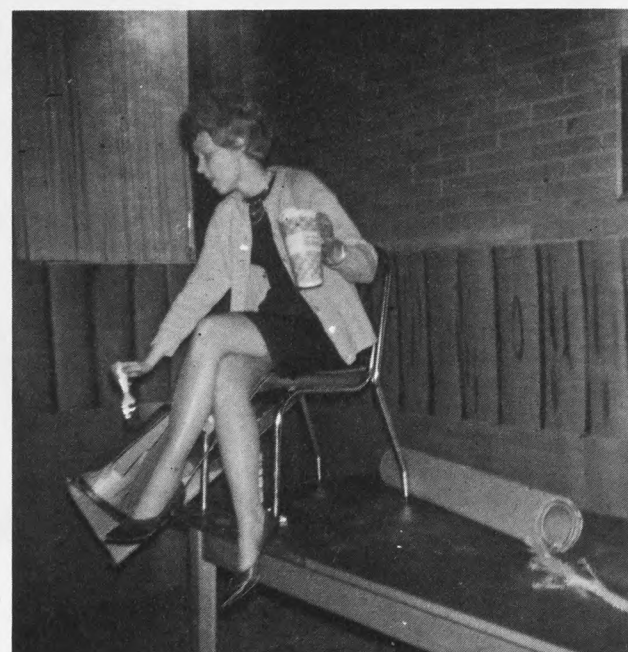

Remember Hidelhause? This member of the Career Society got carried away with the atmosphere of our German Beer Hall. Don't be deceived, too many polkas wore him out and he fell asleep.

Miss Joan Ballhorn, Career Society candidate in the 1965 Miss Sweetheart Contest. Such a bar maid is rarely found.

Careers President Miss Lynne Roberts not only ran the Society and Thalians too, but found time on the side for 7Up commercials.

This is Hidelhaus under construction in the canteen with the help of Rembrandt.

The past season was certainly the most successful ever experienced by Mount Royal Junior College. The Cougars competed in the newly formed Western Intra-College Conference comprising teams from Lethbridge Junior College, Southern Alberta Institute of Technology, Camrose Lutheran College, and Northern Alberta Institute of Technology. The Cougars won the conference championship with a record of 16 wins and no losses and averaged 102 points per game. Ashley Court from Winthrop, Washington and Ken Shields from Prince Rupert, B.C., placed second and third respectively in the conference scoring race.

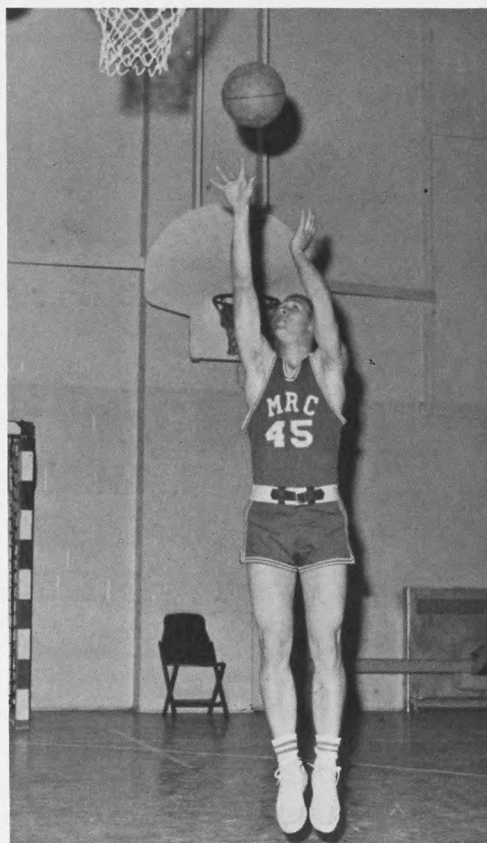

Our Cougars were in Championship form this year, carrying our banner to the Canadian Championships in Hamilton, Ontario. In order to provide a lasting record of their prowess this year we have devoted several pages to action shots of their games.

## SEASON IN REVIEW

The 1964-65 season was certainly the most successful ever experienced by Mount Royal Junior College Cougars. The Cougars competed in the newly formed Western Inter-College Conference composed of teams from Lethbridge Junior College, Southern Alberta Institute of Technology, Camrose Lutheran College and Northern Alberta Institute of Technology. The Cougars won the Conference Championship with a record of 16 wins and no losses, averaging 102 points per game.

Ashley Court (Winthrop, Washington) and Ken Shields (Prince Rupert, B.C.) placed second and third respectively in the conference scoring race.

The Cougars entered three tournaments over the season and won the championships in all three. They were:

University of Saskatchewan (Regina Campus) Invitational  
— Ashley Court named most valuable player of tournament.

Magrath Senior Men's Invitational

— Ashley Court named most valuable player of tournament.  
— Ken Shields, Randy Miller named to All Star Team.

Calgary Senior Men's Invitational

— Ashley Court, Randy Miller named to All Star Team.

In addition to conference and tournament play the Cougars played an extensive exhibition schedule against the following non-conference teams:

North Idaho Junior College,, Coeur d'Alene  
Spokane Community College, Spokane, Wash.  
Notre Dame University, Nelson, B.C.  
University of Alberta Bearcats  
UAC Dinosaurs  
Harlem Clowns

The climax to the season came with the Cougar's successful defence of their Alberta Junior Men's Championship. The then represented Alberta in the Canadian Junior Men's playdowns in Hamilton, Ontario, where they reached the semi-finals, only to lose by one point to Quebec. Hence, the Cougars finished third in Canada.

## GIRLS' VARSITY BASKETBALL

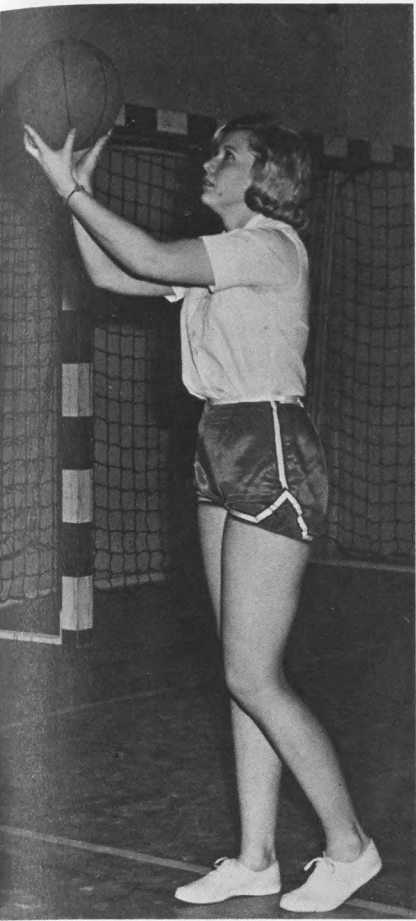

BOTTOM ROW, Left to Right: Bonnie Hays, Judy Morrison. MIDDLE ROW: Sandi Litle, Elaine Hatch, Fran McColl. BACK ROW: Coach Frank Sutton, Coach Jack Paterson. ABSENT: Marg McLure, Ulla Bruhn, Pigeon Wingert, Shirley Anderson, and Karen Askey.

The Cougarettes were coached by Rev. Jack Paterson for the greater part of the 1964-65 season. When the job became too time consuming, Frank Suggon volunteered his services as coach. From then on both coaches worked in a combined effort to get the girls into the City League and the Alberta Junior College League.

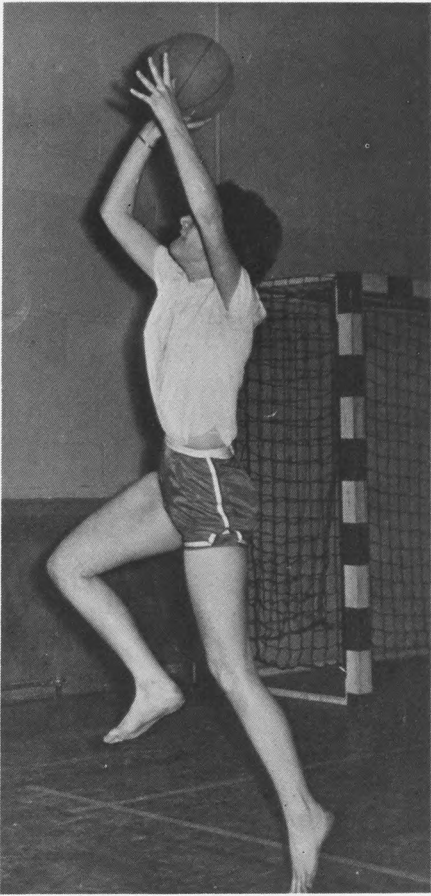

At press time no results are available, but the best showing has been in the Junior College League so far.

High lite of the season was the Play Day held at NAIT in March when the Cougarettes defended their Junior College Championship title. The Cougarettes advanced to the finals but were eliminated by SAIT by a very close score of four points.

# WOMEN'S DEPARTMENT OF ATHLETICS

Mrs. Patricia Dewar

Mrs. Patricia Dewar is head of the Women's Department of Athletics. MRC has been very fortunate to have such an experienced person as head of our Women's Athletic Department.

Mrs. Dewar's record is impressive. She has represented Canada in the Pan American Games. She was the Washington State Champion in Track and Field in 1959. Mrs. Dewar competed in grass hockey, basketball, swimming and track at UBC and she also held the Western Canada Hurdle Championship for three years.

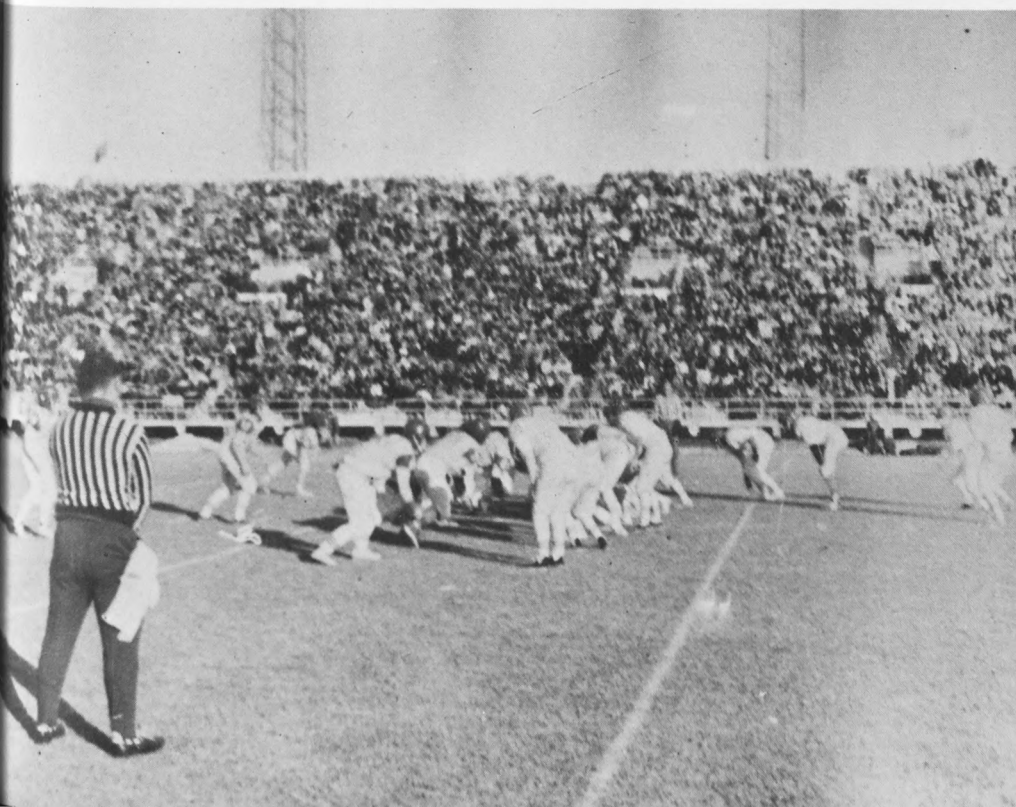

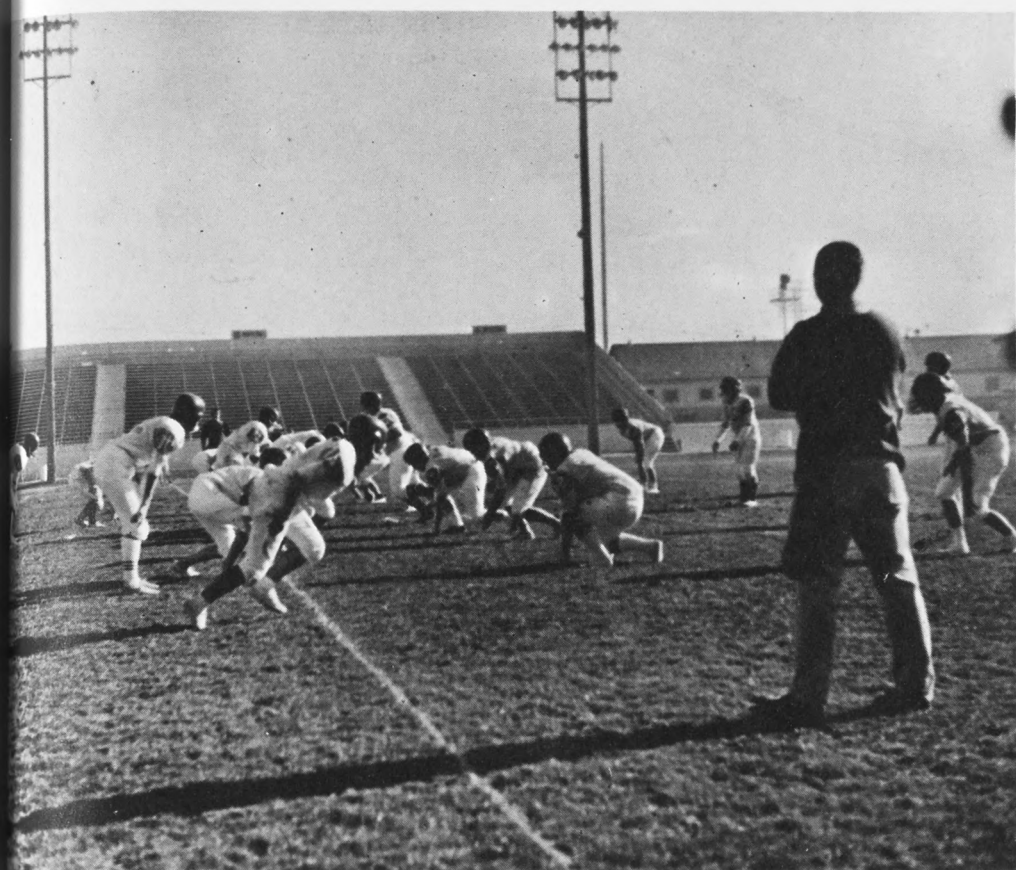

The first Cheerleading Clinic in Canada was held February 6 in the UAC gymnasium. The clinic was under the direction of Lawrence R. Herkimer, North America's foremost cheerleading authority from Dallas, Texas. This clinic was sponsored by Mount Royal Junior College Athletic Department. Over 600 students from Central and Southern Alberta (54 schools) participated in the clinic. The object of the clinic was to up-date cheerleading and leadership techniques in order to further good sportsmanship and school spirit in coming years.

Tumbling, pom-pom routines, cheers, general techniques and crowd psychology were topics of study.

Our 1964-65 Cheerleaders are, STANDING, Left to Right: Jean Farch, Barb Kwasnie, Pigeon Wingert. BOTTOM: Jeanne Sinclair, Pat Elliot, and Maureen Burke.

# POWDER PUFF FOOTBALL

A new sport entered the Women's Athletic Department this year—that being the girl's football team. Several inter-squad games were held in Mewata Stadium and the team challenged UAC's team to a game. On October 28 the Cougarettes played an inter-squad game at McMahon Stadium during the half time period of the Vancouver-Calgary game. Five minutes of this game received national television coverage.

The team was composed of:

Gail Keir	Lee Voice
Bonnie Hays	Linda Keon
Maureen Wingert	Brenda Paleford

Intramural Girls Volleyball Team. The team members, LEFT TO RIGHT: Donna Williams, Margaret Harris, Jeanne Eaglesham, Libby Rourk, Linda Loree, Dianne Morton.

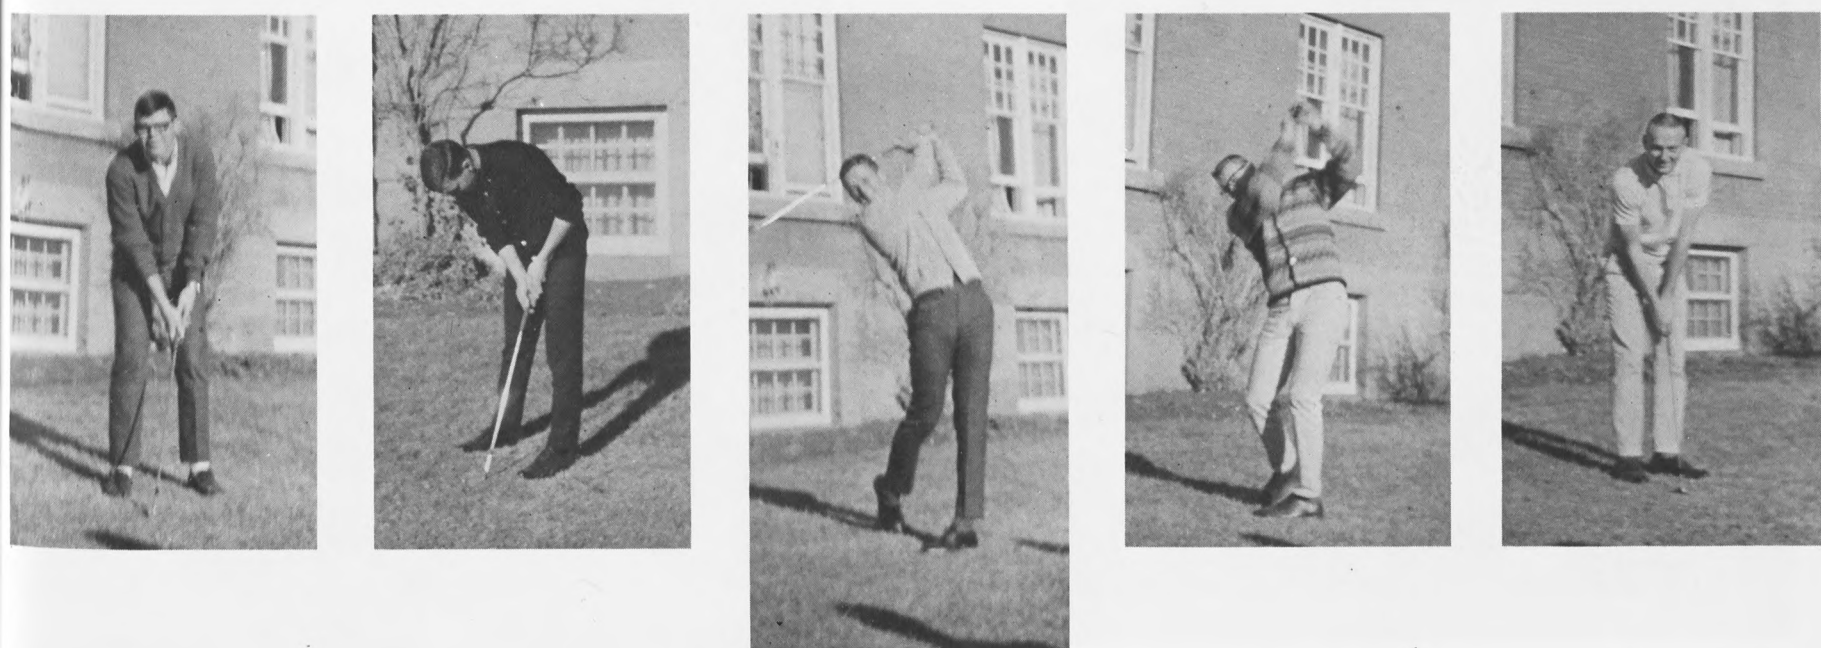

## COLLEGE RIFLE CLUB

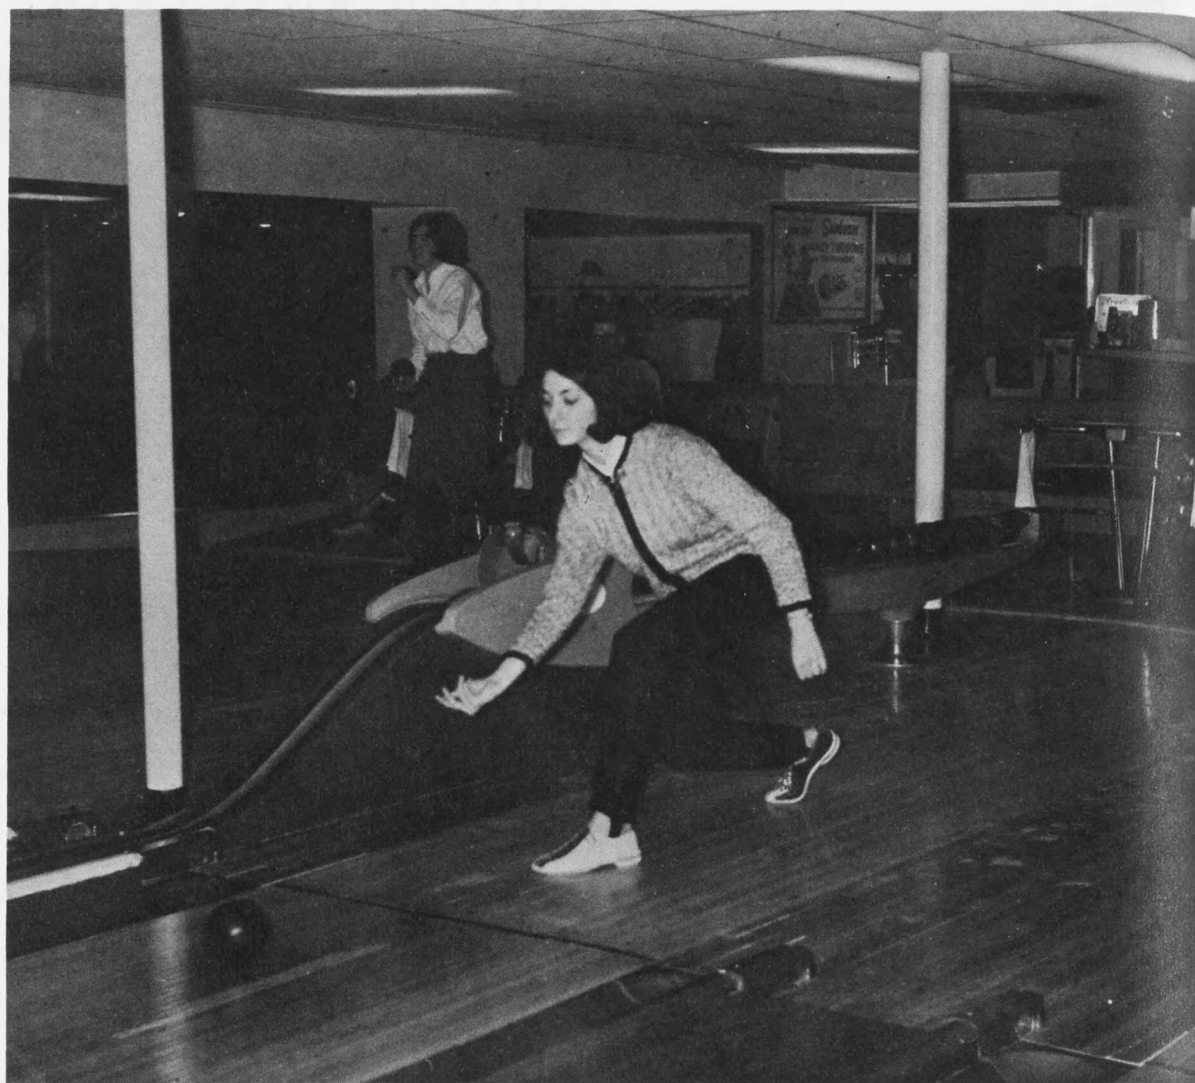

STANDING, Left to Right: Don Champion, Don Haine, Fred Hartmen, Al Greenwood. KNEELING: Steve Apostelides, Gary Parge, Norman Chaput.

## COLLEGE GOLF CLUB

FROM LEFT TO RIGHT: John Souter, Robb Whyte, Earl Jones, Tom Kroeger, Frank Sutton. Also on the club was Richard Martison.

# BOWLING

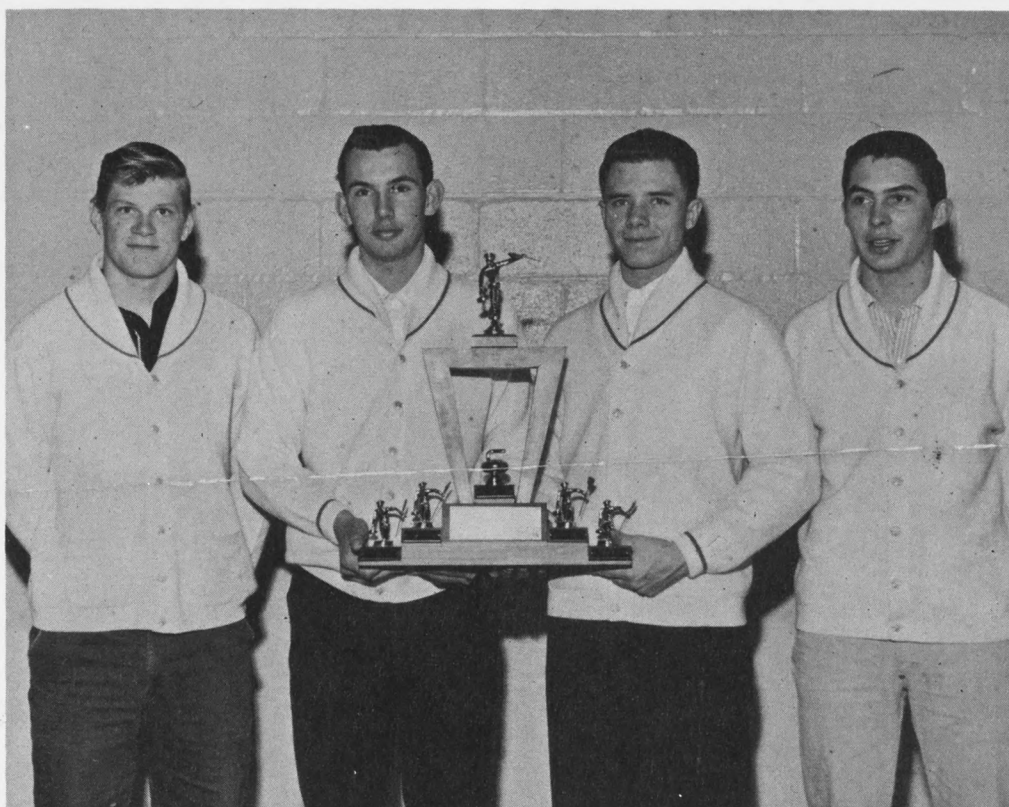

This term saw the formation of a better and a larger bowling club, one that included competition in the Inter-Collegiate Sports Weekend at NAIT in March. The MRC mixed team defeated SAIT's mixed team, but was knocked to fourth place overall on a total point basis, ahead of Camrose Lutheran College.

The team made a commendable showing when it is taken into consideration MRC does not have its own bowling facilities and practises must be extracurricular.

## CURLING

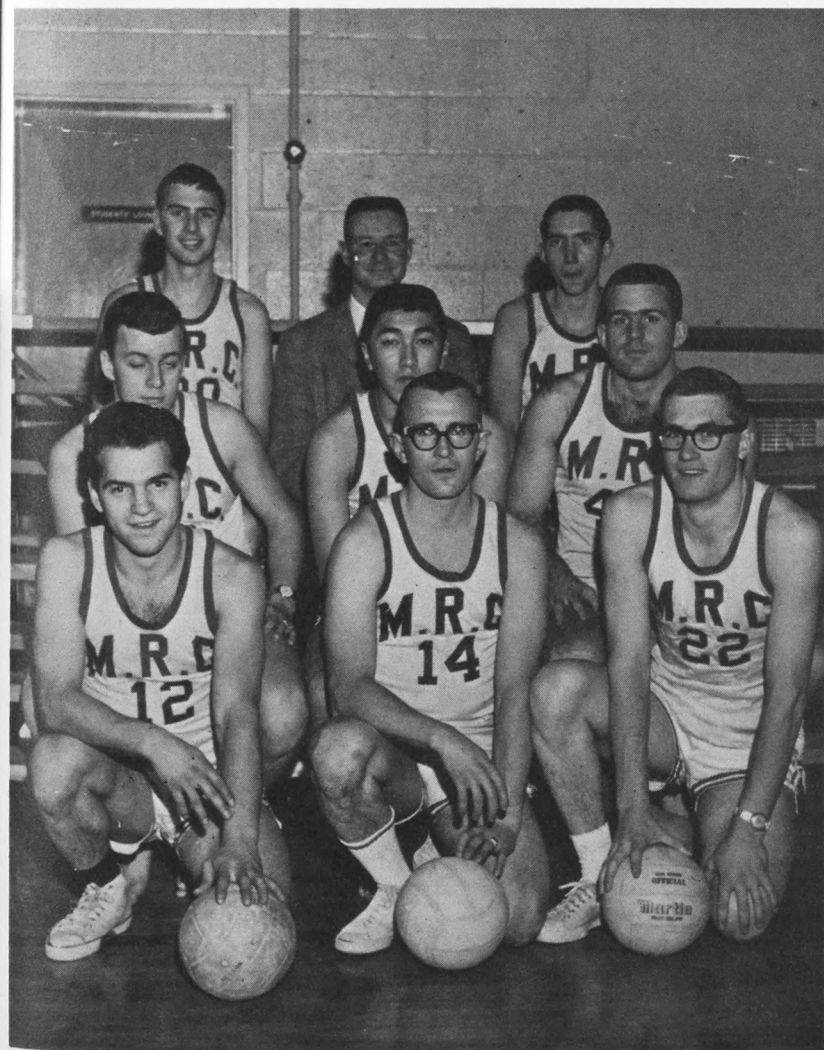

The Mount Royal College curling team for 1965 consisted of: LEFT TO RIGHT: Tom Sandeman, (Lead); Gary Beagle, (Third); Danny Brown, (Skip); Tim Auger, (Second). The curling team attended the annual Alberta Collegiate Athletic Association weekend, in Edmonton, and brought home first prize. They were victorious over teams from: N.A.I.T., S.A.I.T., Lethbridge Junior College, and Camrose Lutheran College.

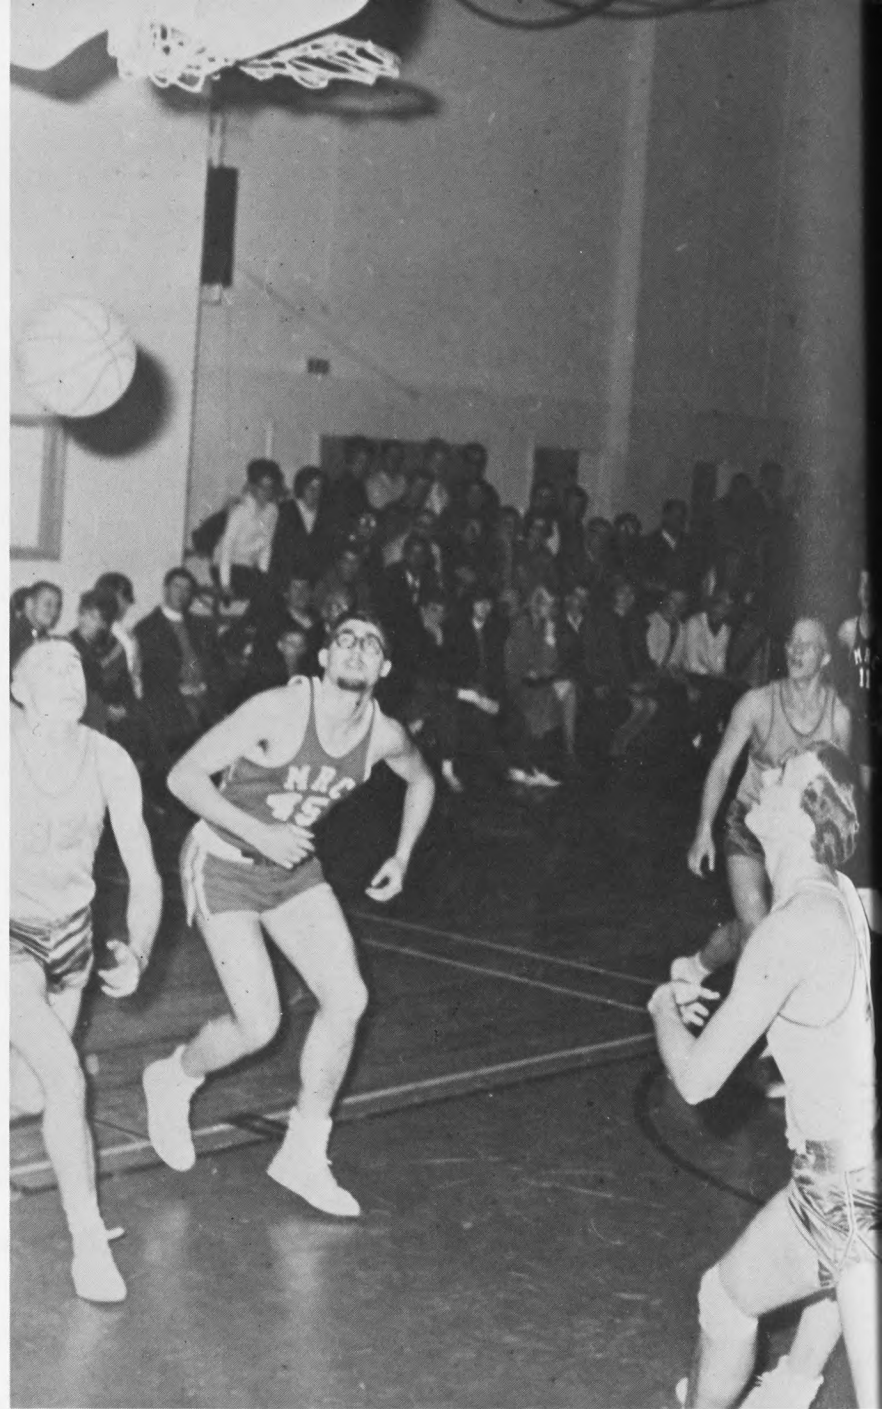

The annual College mixed Bonspiel was won by: Tarry Hall, (Skip); Ron Burger, Brian Kriempien, and Janet Sibbald. The second event was won by: Gary Beagle, (Skip); Bob Seney, Karen Askey, and Gayle Garvie.

Sports Editor's choice of the most outstanding curler in the mixed spiel was Darlene Merriman.

## MEN'S VOLLEYBALL

Varsity Volleyball. TOP ROW, Left to Right: Doug Ramsay, Len Thomas, Larry Colwell. SECOND ROW: Dal Dexter, (Coach); Harold Mori, Clarck Johnston. THIRD ROW: Fred Battle, Joe Holowisky, Dave Haggarty.

## THIS YEAR IN CANDIDS

A simple case of blackmail.

"I have often walked down this street before."

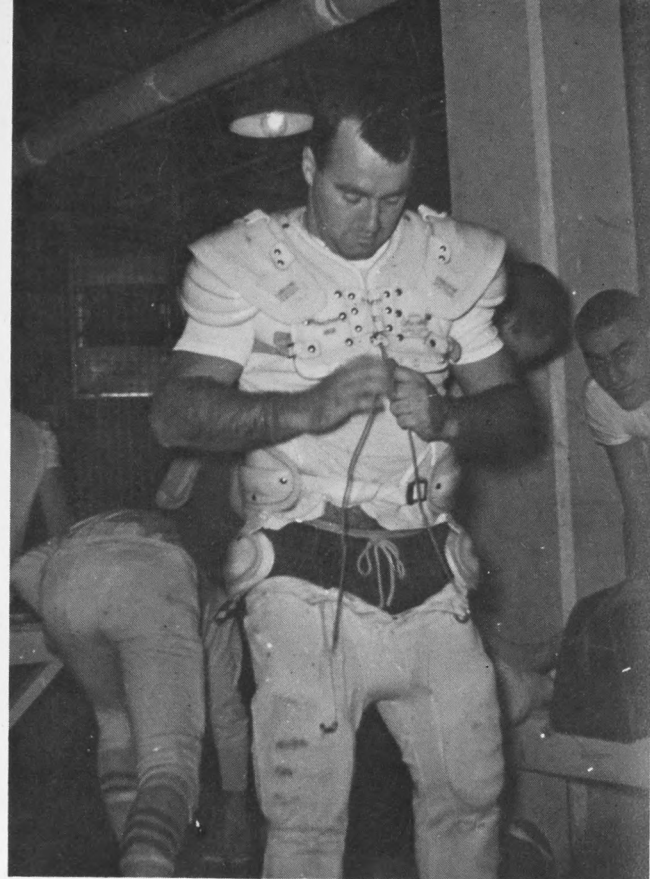

"Out Damn Spot."

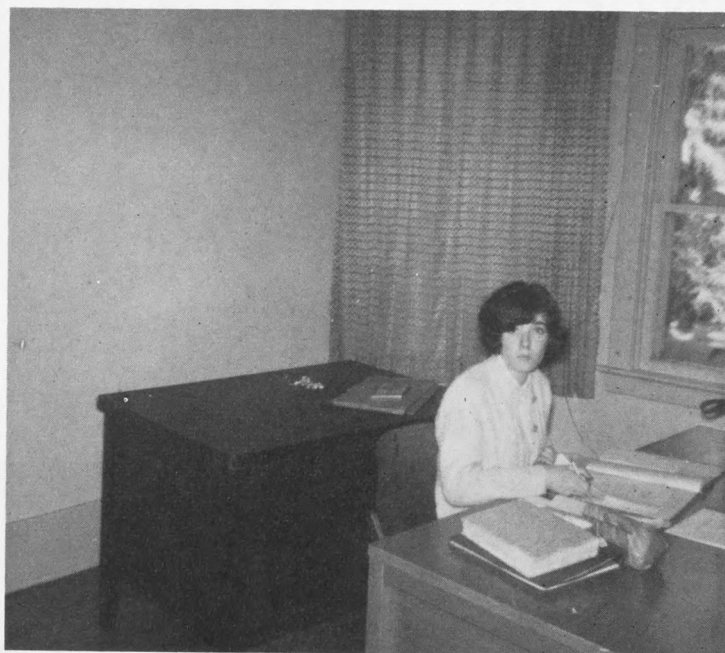

Christmas Assembly, December 1964

Damn knot

She doesn't look like a treasurer.

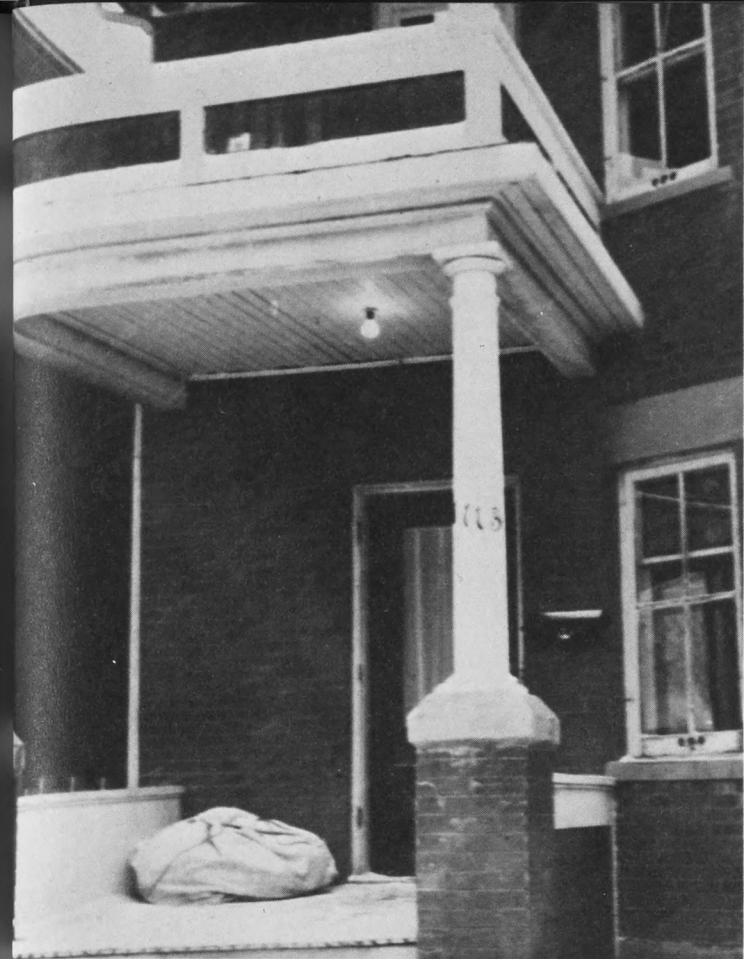

Mr. President. Is that you?

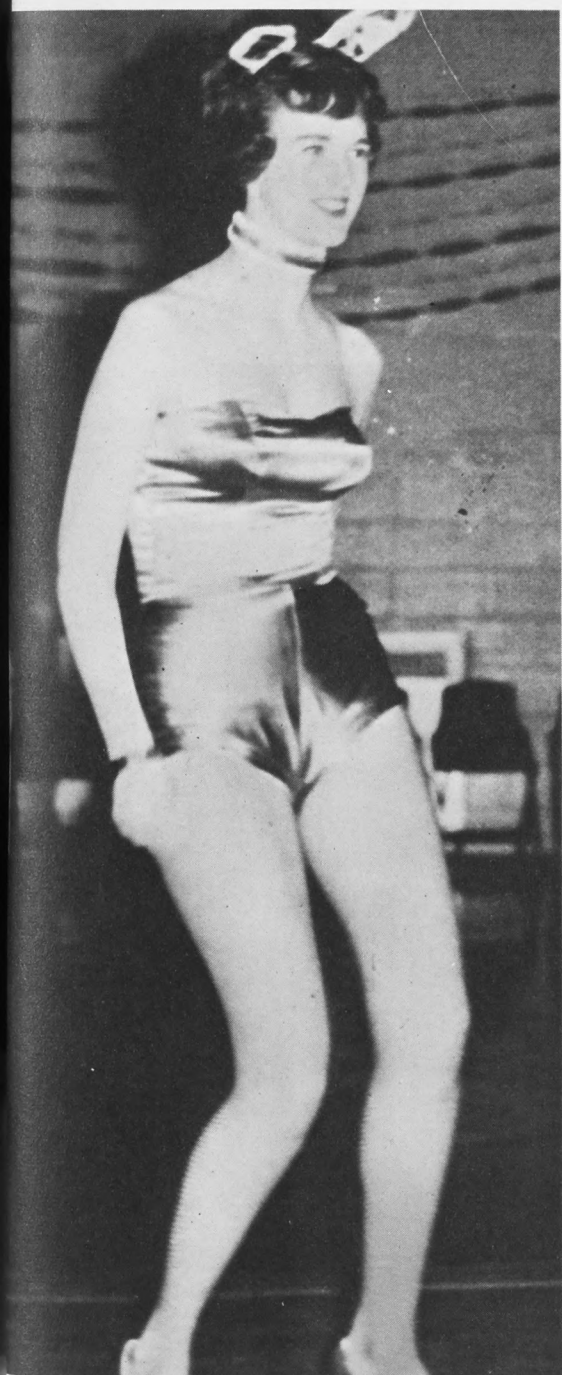

And would you believe it, I started out with thousand dollar bills?

And then there was Wyckham House.

What kind of rabbit is this?

Keep 'em barefoot in the summer and. . . .

Well I'm glad you got that ONE.

Van Lowe really is a fink.

Immorality in Wyckham House?

Everybody and his dog comes to MRC.

Rick! Hand in your key!

Look guys! It went right through the roof.

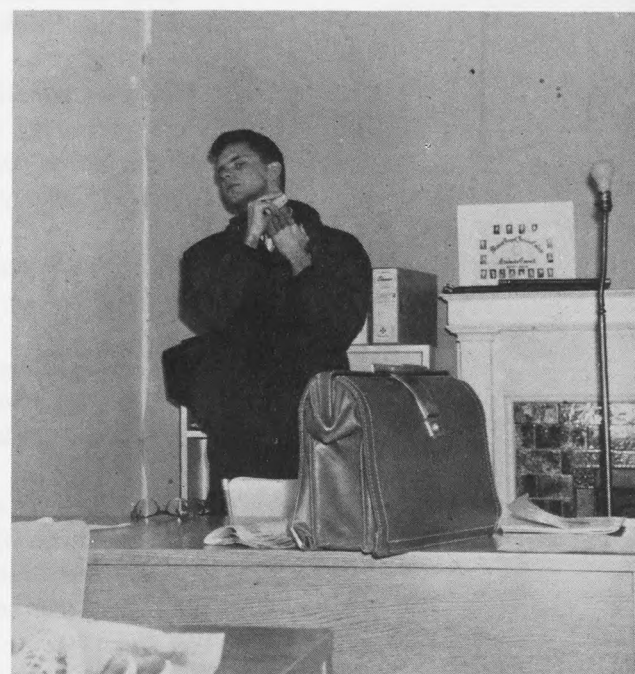

O.K., now we'll sing you a really dirty song.

## NOW THEY ARE MEMORIES

The yearbook staff wasn't always working.

Close shave, eh Mel?

Baby its cold outside.

## EDITORIAL

May 1, 1965

The Varshicom  
1113-7 Ave. S.W.  
Mount Royal College  
Wyckham House, Calgary

Dear Students:

For the greater part of this term you have heard rumors that your Yearbook had undergone a complete change.

Only now, after you have seen the finished product, can you realize the difference between this book and those of past years.

We have established a precedent with this book in many ways. We have used candid photos on every other page of student photos to break the monotony of the pages and our color pages (24 and 25) are the first ever run in a Mount Royal yearbook. The pictorial story starting on page 20 has never been tried before.

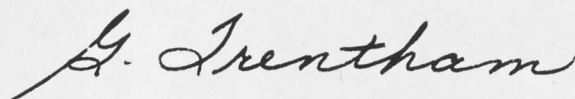

The Varshicom was the only student publication to recognize this year as the 55th Anniversary of MRC. The Emerald Anniversary almost slipped by unnoticed.

I hope next year there will be a more efficient method of supplying the Varshicom with pictures. So many of you did not have pictures taken and hence you have a very becoming blank face beside your name.

To many I express apologies if your picture does not appear in the correct section. Those of you taking combined high school and university courses as well as combined first and second year college courses may find yourselves in the wrong place. A special section for those students we could not be sure of appears on pages 169 and 170.

Thank-you to everyone who helped in any way on Varshicom '65. We are proud of it. We think we have instituted a real first in yearbook production at MRC.

Yours truly,
